What could have been a better night for the Lettermen's Sweetheart Dance than Feb. 14, Valentine's Day. The cupids crowned Paula Kirmeyer (seated) Queen of Hearts. The Sweetheart Maids were (pictured left, L to R) Linda View, Linda Lael, Lynn Schoenfelt, Cheryl Lightfoot, and Kendy Thorten. The Van Gards serenaded the court.

Chorus groups use talent to entertain community

Our Choral Groups compose a large and active section of our school life. The holiday spirit of Thanksgiving and Christmas is boosted with assemblies and concerts. The year is closed with the grand Spring Concert.

During the Christmas season, the various Choral Groups carol at Northwest Plaza. They spread more spirit by singing at Old Folk's Homes and hospitals to cheer up the sick and disabled. About \$500 is collected each year for the poor and crippled children.

The group raised extra money by selling candy this year. Beautiful robes for the sophomore and junior choirs were bought with a portion of the money. Scholarships were also given to music camps each year, especially to the State College at Cape Girardeau.

The group gains experience and culture by entertaining and hearing college choirs and singing with them. This year the group was host to the Millken University Choir. They became part of the activities at Meramec Junior College with Professor Frances Gillette. The group also participated in workshops and clinics at Southern Illinois University at Edwardsville under Dr. L. Leonard Van Camp and Dr. Warren Joseph.

Our Choral Groups were the nucleus of the "Symphony-Goers"—a group of students who attended the regular Saturday evening Symphony Concerts together by way of school bus. This group also attended concerts by the St. Louis Bach Society under Dr. W. Hayne.

The group also combined music with dramatics. They put on an excellent performance of GUYS AND DOLLS this year. A CHILDREN'S THEATER was also formed which stages one-act musicals for elementary schools and benefits.

Many awards are offered, but the one most encouraged is that of self-satisfaction in using one's talent for the benefit of others.

PHS students contributed \$1300 at Christmas

Congratulations to the students at Pattonville for donating \$1,324.47 to "Toe Warmer" this year. Christmas was indeed a happier occasion for many. The donated money was divided and spent on many different, but equally worthwhile projects.

A party was given at the Neighborhood Association where \$125 was spent. An additional \$25 was spent on buying food to fill ten baskets for needy families.

The Christmas holiday was also brightened for the children at Missouri Baptist. Each boy and girl received a gift: the boys, a tie; the girls, a pair of knee socks.

The rest of the money was used to purchase items to fill stockings for the Red Cross.

European trip for Lorilee Guinther

Thanks to the hard working A.F.S., Lorilee Guinther is a very happy girl. Lorilee was chosen as the foreign exchange student this year. She and Sue Campbell were chosen by a committee at Pattonville as candidates. The main office in New York made the final decision.

This privilege was made possible by the efforts of the A.F.S. members. This energetic crew held bake sales, sponsored the Christmas Dance and raffle for the television, and sponsored the dunking machine on Bermuda Day—all for the benefit of the foreign exchange student. Their goal was \$2200, and they did their very best to reach it.

Spanish club clean-up day

A Clean-Up Day was held by the Spanish Club on April 8. This energetic group cleaned around the entire campus on this day. Afterward, they relaxed at a barbeque.

Join a club!

Schola has new sponsor

Miss Beth R. Lower, a first year teacher, sponsored the Schola this year. The second and third hour Journalism classes made up the staff of the 1970 Schola. This hard working staff kept busy with the task of meeting the deadlines each month. The Scholette was published bi-monthly.

A brand new format was developed for 1970. The Schola was printed on newsprint paper and it was also a larger size. The big issues were published in May and at Christmas. A fantastic drug issue was put out in March.

Slaves auctioned

Tradition has it that new members who wish to join the Latin Club are initiated by being auctioned off as slaves. This year was no exception. Latin Club held its annual slave auction in which new members were auctioned off to the former members of the club. The highest bidder received a slave who was required to carry his master's books and various other things. The money acquired was added to the Latin Club funds.

One of the other major events was the annual Roman Banquet. The people were dressed in authentic style and were seated on the floor while Latin slaves served the courses of the meal.

These and other classical customs were practiced by the Latin Club throughout the year.

French club holds festive banquet

The French Club was engaged in many activities throughout the year. French Christmas caroling accented the holiday season. As a service project, the group remodeled the teachers' lounge in the MAC building.

The highlight of the year, however, was the festive French Banquet in the spring. A full course French meal was served amidst soft French music. All the food was prepared by the members Appetizing hors d'oeuvres headed the French menu. The main course consisted of a salad, onion soup, French bread and chicken fricassee.

A good time was had by all in the midst of such an authentic setting.

German club members pick and sell apples

Gay times were had by the German Club members as they "mixed business with pleasure" while picnicing and picking apples at Eckard's Orchards in November. The apples were to be sold at school to make money for the German Club. Kathryn Berch candy was also sold. All of the proceeds were given to the German Club. They contributed to the P.T.A. scholarship fund.

Other activities included a Christmas party and a dinner at a German restaurant in May.

Cadet teachers start careers

A new program has been added to the Future Teachers' Association this year. Three students—Joan Turntine, Leola Lorton and Condly Cavanaugh have been allowed to participate in the Cadet Teaching program. This experience prepares the students for their future teaching careers.

During the first semester, the students assisted the teachers in elementary schools one day a week for one hour. The students didn't actually teach during this time; it was more for observation. They helped the students, told stories and worked on bulletin boards. This observation period helped the students quite a lot.

The students actually taught during the second semester. Joan taught German under Miss Wetteroth, Leola taught English under Miss Olson, and Cindy taught English under Mr. Ruh. The girls attended this class every day. The amount of teaching they did depended entirely upon the teacher who was helping them.

Pickle week for P.H.S. Green

Pickle Week was a great success this year. The Thespians worked hard to earn money for their first play. The play, ANTIGONE, was also a success, and the club is now planning a play every year.

The cast for the play must be taken strictly from the Thespian Club. Cindy Coalwell played the part of Antigone. The rest of the cast included Gary Clemens, Linda Jones, John Gardner, Harriet Weger, Debbie Stewart, Barb Stegeman, Dave Ramsey, Rich Pipes, Mike Kaiping and Bob Speight.

A formal initiation took place at Holiday Inn in May. The pledges were initiated and the officers installed on this occasion.

"Ah, gee whizz, Mom and Dad! I'm going to run away and get adopted and join a cub scout pack and..."

The 1969-70 Football season began with a new, younger team that was up against a tough conference. Head Coach John Ball seasoned the team rapidly and under the coaching method of treating the players as men, lead his team into battle against the North County League. Though we had a bad season, Coach Ball received the great team response he sought from an under-sized team. His strict—not severe—discipline instilled in the team a pride that held through this year's losses and because of this spirit, next year's team will be better prepared for the strong North County Conference League teams.

After a season of great effort, a team of mostly underclassmen pulled through a 5—4 overall record. Kevin Liebig lead the team in breaking McCluer, St. Charles, and Pattonville records. Dan Taylor and Gary Tennyson placed second in most of the dual and trimeets. With many promising underclassmen on this year's team, Coach Lowry is very optimistic about the season next year!

The Pattonville Kickers, playing through the snow and freezing temperatures of a harsh winter, battled many established soccer powers. Chuck Ashley and Dean Queathem combined their talents to stop the opposition time and time again, while spirited forwards pressed for a score. Rolando Abente, leading the team in scoring, broke two school records: most goals in a season (7), and most goals in a single game (3). Other high scorers were John Sumner (5) and Andy Kern (2). Jim May collected the most assists during the season (5).

Juniors Jerry Wipke, team captain, Barry Strauss, and Wayne Kaiser gave the team tremendous help in winning numerous matches.

The Pirates won the St. Charles Invitational Tournament, placed 3rd in our own tournament, 2nd in the District Tournament and 6th in the Regional Tournament. Jerry Wipke, who was District Regional Champ went on to place 2nd in the State Tournament at Lee Summit, Mo. Wayne Kaiser, Ted Rhodes, Jerry Wipke all looked real great in the Regional Tournament.

Next season should also be a great one with a good nucleus of sophomores and juniors returning.

This year's swim team was sparked with spirit and hustle. Mainly powered by underclassmen, Pattonville splashed hard but only won 4 out of 12 meets. In the State finals, Pattonville finished 19th out of 37 participating schools. Coach Rhinesmith believes that in the near future Pattonville will become one of the most difficult teams to beat. With the experience gained by the young team, Pattonville will give some real competition to Surburban North Conference next year!

Here I sit, wishing Tina was the one writing this, with the darn deadline staring me in the face, waiting for divine intervention to give me something nice to say about everyone. But since you know the people, you wouldn't believe anything nice anyway, so you'll get the truth. If you were sitting here with me today, you'd see just why we've lacked organization. Bill Cargile (pilot of the world's largest paper airplane) and Camellia Hooppaw (with a name like that she can't be all bad) are sitting cutting out campaign buttons. This is just one of the many fine contributions they've made this year. Head photographer (?), Dirk Geist is sitting at the far end of the room griping because he doesn't have his cheerleader pictures. Maybe he now knows how we felt all year when he didn't bring our pictures in. Pat Giancola is sitting at the same table cutting out pictures of juniors and mixing up the bodies. Hey, Pat, Whose head is that on Bobby Orr? Jim Zes has just come up from downstairs. I really wonder if that boy would live without his apple turnover every morning. Maybe he'll pass on his secret route past all the principals when he graduates. Kathy Travers is still sitting in a daze. Wonder how long it's going to take for her to get over the Junior-Senior trip. Those bright lights of the big city must have really gotten to her. Here comes Dean Ascoli. He seems to have some idea he's the President and goes around saying, "Let me make one thing perfectly clear!" The only problem is he never does. Jeff Hall has got his concentrating face on again. After 8 months of crooked lettering and very deep cartoons, he's finally realized he has work to do and the most surprising thing is, he's doing it! Today is our lucky day. Paul Craig just walked in. He's supposed to be at school—"McDonald's Senior High" . . . He should have enough credits in June to graduate a full fledge "Big Mac". Gloria Herron is sitting at the table next to me cutting out little hearts. What can you expect though from a girl whose brains are a little stretched from sitting on her hair? Oh, lest we not forget Dave Pace our only soph in the group. I just hope that by next year he learns to multiply. Gail Terhune also comes in here ever so often. Seems like she's always sick. Maybe she's just sick of us. Have I left out anyone? Oh yeah, Tim Merkel. Enough said. Almost forgot Jabet, but she comes in the hour after us. Couldn't stand us either. Then there's me and with that I'll exit.

As the river flows by so does our life. (I wonder if a dam would slow it down any).

—Marilyn
